IMPLEMENTATION STATUS

14th Horn of Africa Ministerial Meeting | October 13, 2022
**1. COALITION BUILDING**
Building coalition of the willing – governments, regional bodies, development partners.

**2. PRIORITY PACKAGE**
Agreeing on a priority package around 4 pillars - $15.89 billion aspirational goal.

**3. KEY OUTREACH**
Outreach to development partners and project preparation.

**4. FINANCING UPDATE**
Financing was successful – Over $7 billion from 3 DPs for 4 pillars.
CURRENT STAGE

1. BUILDING SUPPORT
   Need for strong Country Ownership in Implementation Support.

2. POLICY ACTIONS
   Anticipate Policy Actions needed to unlock investments.

3. PROJECT CAPACITY
   Improve Project Implementation Capacity.

4. MEASURING RESULTS
   Monitoring and Evaluation to measure results; trigger virtuous cycle.
QUESTIONS FOR THE MINISTERIAL PANEL

1. Do you agree that implementation and policy actions are crucial?

2. Do you agree that country ownership is the key to robust implementation?

3. Do you think project management capacity is a core requirement?

4. Do you agree that solid implementation is the best pitch for more resources?
